## 2018 Medicare Advantage Training Available

BlueCross BlueShield of South Carolina's 2018 Medicare Advantage Agent Training course is now available through the company's online Learning Management System. Agents are required to complete the course and pass a test in order to sell BlueCross Medicare Advantage and Prescription Drug Plan products.

### Certification Requirements

In addition to the BlueCross course, agents are required to successfully complete the 2018 "Medicare + Fraud, Waste and Abuse" training through America's Health Insurance Plans (AHIP). Agents must complete AHIP before starting the BlueCross course. Agents who have not already completed AHIP for 2018 can register at a discounted rate of \$125. To receive the lower rate, agents **MUST** use this link:

Here's what agents need to know about our 2018 certification requirements:

- Agents must complete and pass the 2018 AHIP "Medicare + Fraud, Waste and Abuse" and the course in our Learning Management System (LMS) in order to sell Medicare Advantage plans. The BlueCross course covers:
  - HIPAA
  - 2018 Products
  - Marketing Guidelines
  - 2018 Marketing Compliance Agreement

- Agents must pass the BlueCross course's final test with a score of 85 percent or higher.
- Agents are limited to two attempts to pass the test. Agents who do not pass the test within two attempts will not be certified for 2018.
- Agents must pass the 2018 AHIP test with a score of 90 percent or higher.
- Agents must complete AHIP **BEFORE** starting the BlueCross training. During the BlueCross course, agents will be asked to attest that they have already completed AHIP.
- Agents who access the AHIP training through the special BlueCross link above **SHOULD NOT** send their AHIP certificate to BlueCross. BlueCross receives those certificates automatically. Agents who access the training through another link must email a copy of their certificate to [billy.quarles@bcbssc.com](mailto:billy.quarles@bcbssc.com).
- Agents CANNOT market, discuss or enroll clients in our Medicare Advantage or Prescription Drug Plan products until they have completed both training courses.
- Agents CANNOT market or discuss our 2018 plans until Oct. 1, 2017.

**We will not pay commission to any agent who has not been properly certified.** We are required to report any agent who submits beneficiary enrollment applications without completing the entire certification process to the S.C. Department of Insurance and CMS.

Marketing materials for plan year 2018 will be available through Storefront and on our website, [www.SouthCarolinaBlues.com](http://www.SouthCarolinaBlues.com). Agents will have access to the marketing materials on Storefront only after they have been certified.
