Guess Who's Back?

Humana is proud to announce that as of July 1, 2018, **Greenville Health System (GHS) has been added back into Humana's HMO network of providers in South Carolina.**

Greenville Health System serves the Upstate of South Carolina.

You may begin enrolling clients who desire to use GHS into Humana's HMO plans. As always, please check our Physician Finder Plus tool online at www.humana.com to verify the providers are showing in-network. Please note the PDF of the Upstate HMO directory has not been updated. If you normally download the PDF for use on your computer, please check back within the next week or so to download the updated version.

If there is a provider who you cannot find in our Physician Finder tool and you believe that provider should be in-network, please reach out to us with the provider's information. We will work with our contracting team to determine the provider's status.

Please let us know what we can do to help you grow your business.

Not licensed with Humana yet? Don't delay, Contract today! Call Greg at 864-275-4166 or Lisa at 864-252-3188! Don't miss this opportunity!
