

The Benefit Resource Center

BENEFIT BULLETIN

November 9, 2018

As you may or may not be aware of, the SC Department of Insurance recently updated their Database system to a new platform. It has come to our attention, that some licenses were not transferred to the new system, resulting in a false lapse of license status.

Please check your SC License status by going to their new platform at: <https://sbs.naic.org/solar-external-lookup> to ensure your license is active and verify your license status date. Also, please ensure all your company appointments are correct as well.

If you have any questions, please do not hesitate to contact us. We are here to help you succeed.
